1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 14 February 2005 has been entered.

2. The following is an examiner's statement of reasons for allowance: In the Final rejection of 17 November 2004, Claims 1 - 8 and 12 - 14 were rejected and Claims 10, 11, and 15 - 24 were indicated allowed (see Final rejection of 17 November 2004, indicating that the claims were allowed and the Non-final rejection of 12 February 2004 indicating allowable subject matter in dependent claims for the reasons given in Applicant's response of 19 November 2003). In filing the RCE, Applicant has cancelled the rejected claims and amended the allowed claims by replacing the term "said" with the term "the". This amendment to claims 10, 11, and 15 - 24 merely affects the form of the claims without changing the scope of the claims. As such, the pending claims remain allowable for the reasons of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
